## PART VI

**Bills introduced in the Council of State and Legislative Assembly; Reports of Select Committees presented to the Council and Assembly; and Bills published under Rule 18 of the Indian Legislative Rules.**

### GOVERNMENT OF INDIA.

#### Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 7th December, 1938:—

L. A. BILL No. 25 OF 1938.

*A Bill further to amend the Indian Tariff Act, 1934.*

WHEREAS it is expedient further to amend the Indian Tariff Act, 1934, for the purpose of assisting the sale in India of wheat produced therein by imposing a temporary duty of customs on the importation of wheat; It is hereby enacted as follows:— XXXII of 1934

Short title. **1.** This Act may be called the Indian Tariff (Amendment) Act, 1939.

Amendment of First Schedule, Act XXXII of 1934. **2.** In the First Schedule to the Indian Tariff Act, 1934— XXXII of 1934.

(*a*) after Item No. 10, the following item shall be inserted, namely:—

| | | | | | | |
|---|---|---|---|---|---|---|
| "10 (1) | WHEAT | Protective | Re. 1-8 per cwt | .. | .. | March 31st, 1940", |

(*b*) after Item No. 11, the following item shall be inserted, namely:—

| | | | | | | |
|---|---|---|---|---|---|---|
| "11 (1) | WHEAT FLOUR | Protective | Re 1-8 per cwt | | · | March 31st, 1940". |

It is hereby declared that it is expedient in the public interest that the provisions of clause 2 of this Bill shall have immediate effect under the Provisional Collection of Taxes Act, 1931. XVI of 1931.

*The Governor General has been pleased to accord the sanction required by section 67 of the Government of India Act as set out in the Ninth Schedule to the Government of India Act, 1935, and modified by paragraph 12 of the Government of India (Commencement and Transitory Provisions) Order, 1936.

## STATEMENT OF OBJECTS AND REASONS.

Owing to the low price at which imported wheat is at present being landed at the principal ports in India, wheat produced in India is unable to compete with it at those ports and in the immediately adjacent areas. The extent of the annual demand for wheat in the areas in question is estimated at from 450,000 to 500,000 tons. At the present low level of world prices little Indian wheat can find an outlet in foreign markets, and it is the more desirable, therefore, that Indian wheat should not be excluded from a considerable part of the home market.

2. It is accordingly proposed to impose for a temporary period extending to the 31st March, 1940 a duty at the rate of Re. 1-8 per cwt. on wheat and wheat flour imported into India with effect from the date of the introduction of the Bill. This rate is sufficient to enable wheat from the principal wheat producing areas in the country to be sold at the principal ports in competition with imported wheat, and allows a margin to provide for a possible increase in the existing difference between the selling prices of home-grown and imported wheat in these markets.

(Nos. 2, 3 and 4), *respondents*.

This is an election petition filed under paragraph 3 of Part III of the Government of India (Provincial Elections) (Corrupt Practices and Election Petitions) Order, 1936, hereinafter called the Order, by Khan Bahadur Haji Badi Ahmad Chowdhury of Chittagong against Mr. Muhammad Anwar-ul-Azim, Barrister-at-Law. Mr. Azim was the rival candidate of the petitioner in the Chittagong South Muhammadan Constituency at the bye-election held on the 9th and 10th March 1938. The other rival candidates at the bye-election, Maulvi Mastafizur Rahman Khan, Maulvi Golam Sobhan Master and Khan Sahib Maulvi Abdul Hamid, have been made parties to the petition as opposite parties Nos. 2, 3 and 4.

The petition contained numerous allegations of corrupt practices, but many of these allegations were vague in their nature and were unsupported by particulars. The charges relating thereto were, therefore, struck out from the petition during the preliminary stages of the hearing. Other allegations the petitioner decided not to press, with the result that, on the 15th July 1938, issues were framed only on the following points:—

(1) Did the respondent or his agent, or any other person with the connivance of the respondent or his agent, publish all or any of the pamphlets printed as annexures A and A(1) to the petition, and the first pamphlet printed on page 184 of the *Calcutta Gazette Extra-ordinary* of the 23rd June 1938? If so, does such publication amount to a corrupt practice within the meaning of paragraph 5 of Part I of the Corrupt Practices Schedule?

(2) Has the return of election expenses been made in proper form? In this connection, have the allegations made in paragraph 12 of the petition been established? If so, has the respondent thereby incurred any disqualification?

(3) Is the return of election expenses false in any material particular as alleged in paragraph 8(*vii*) (renumbered 8C) of the petition and the particulars furnished in connection therewith as amended this day? If so, has the respondent incurred any disqualification thereby?

(4) To what relief, if any, is the petitioner entitled?

At a later stage in the proceedings the petitioner was unable to furnish the particulars required to enable him to substantiate the allegations covered by the first issue which he decided not to press. This issue is, therefore, decided against the petitioner.

As regards issue No. 2, the case for the petitioner is that the respondent's return of election expenses was not lodged in the form required by the provisions of the law relating to this matter, and it is urged on his behalf that the respondent has thereby become disqualified for being a member of the Provincial Legislative Assembly.

The relevant provision of the Government of India Act with regard to returns of election expenses is contained in section 69(*1*) (*f*), which provides that a person shall be disqualified for being a member of a Provincial Legislative Assembly who, having been nominated as a candidate for such Assembly, has failed to lodge a return of election expenses within the time and in the manner required by any Order in Council made under the Act, unless five years have elapsed from the date by which the return ought to have been lodged or the Governor, acting in his discretion, has removed the disqualification. The Order was published as an Order in Council on the 3rd July 1936, and paragraph 5 of Part II of this Order provides that every return of election expenses shall be in such form and shall contain such particulars as may be prescribed and shall be accompanied by declarations in the prescribed form by the candidate and his agent made on oath before a Magistrate.

Under paragraph 20 of the Fifth Schedule to the Government of India Act, power is given to the Governor exercising his individual judgment to make rules with respect to certain matters including the expenses of candidates at elections. The rules which have been prescribed in this connection by the Governor are contained in the Bengal Legislative Assembly and the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936. The form in which the return of election expenses should be lodged has been prescribed under paragraph 7(*2*) of Part I of the Rules and Schedule I thereto annexed.

In our opinion there can be no doubt that the respondent's return of election expenses is defective in many respects and he himself admits that it was carelessly prepared. In the first place, the form relating to receipts has been left blank. In this form must be shown all monies, securities and equivalents of money received from any person, including the candidate himself, in respect of any expenses whether paid or remaining unpaid, incurred on account of, or in connection with, or incidental to, the election. Admittedly certain sums of money were expended by the candidate himself in connection with his election, and these sums should, therefore, have been shown in this portion of the return. It is also in evidence that certain small sums of money were spent on his behalf in connection with the election by some personal friends of his, for instance by Maulvi Ehsanul Haque and Maulvi Abdul Latif. These sums were not repaid by him and, however insignificant they may have appeared to be to the candidate, they should nevertheless have been entered on the receipt side of his return of election expenses.

There are similar defects as regards the expense side of the return. In this connection, Note 2 of the form prescribed for expenses is important. This Note is in the following terms:—Each payment made shall be entered separately, except payments on account of postage and telegrams for which lump sums may be shown. The name and description of each person paid and the work done or the nature of the goods supplied shall be shown in respect of each payment.

As regards Part A of the return, admittedly the sum of Rs. 150 on account of motor hire which was paid to Badiur Rahman, was paid in two instalments; only one payment of Rs. 150 has, however, been shown. This is not in accordance with the directions contained in Note 2 mentioned above. Similarly it is clear from the evidence that the respondent made a number of railway journeys with a servant on

different dates; payments on account of these journeys should have been shown separately and not in a lump sum as has been done.

Part B of the return is open to the gravest possible objection on account of the manner in which it has been prepared. This part of the return mentions a number of lump sum payments to various persons who worked as the respondent's agents; but neither in Part B of the return nor in the supporting vouchers are details forthcoming as to the nature of the work done by these persons nor the account on which the payments were made. We find, for instance, that one of these items relates to a lump sum payment of Rs. 260 which was paid to a pleader named Fazlur Rahaman Khan. During the course of the evidence it transpired that most of this sum was paid to the pleader in question as remuneration for the loss of his professional fees, whereas only a small portion of the sum represented payment to him on account of his out-of-pocket expenses. The same observations apply to two other payments, of Rs. 220 and Rs. 18, respectively, which were made to two other pleaders, Maulvi Ibrahim and Manir Ahmed. This part of the return also mentions payments of considerable sums of money in lump sums to agents on account of payment to canvassers and organisation of meetings; but neither the return itself nor the supporting vouchers contain any information as to the meetings which were organised, the canvassers who were paid, or how the money was spent.

A return which has been prepared in this manner can only be described as unsatisfactory in the highest degree. The law contemplates that full details should be given as to the nature of all expenses incurred in connection with a candidate's election, and it is only in the case of the cost of postage and telegrams that lump sum entries are permitted. If lump sum entries were permissible in other parts of the return, it would be possible for candidates to use considerable sums of money in furtherance of corrupt practices under the election law without running the risk of such practices being detected on a scrutiny of their accounts. Although it has not been established that any corrupt practice was actually committed by the returned candidate, we cannot but regard the manner in which his return of election expenses was prepared as open to the gravest possible objection on account of its failure to show any detailed expenditure with regard to some of its most important items.

Similarly Part E of the return has not been properly prepared. This Part contains an entry to the effect that the printing work in connection with the election was done in the respondent's own press: so no cost was incurred under this head. Admittedly certain posters, voting cards and papers containing instructions to voters were printed by the respondent in his own press in connection with his election, and a special issue of a newspaper called "The Sunity" was also printed in that press on his behalf, which contained requests to people in the constituency to vote for him. It is clear that expenditure was incurred on this account, which should have been shown in Part E of the return, but this has not been done.

A similar question with regard to the preparation of Part E of the return arose for our consideration in connection with the case of Maulvi Habibur Rahman Chowdhury *versus* Nawab Sir K. G. M. Faroqui, Kt., and in our report in that case we observed that it must have been the intention of the framers of the rules that the printing work done on behalf of a candidate should be properly described in the column headed "On what account" in Part E; in other words, details in respect of each electioneering pamphlet and other items of printing should be mentioned, in connection with which the candidate may have incurred expenditure. To that view we adhere, and we must find that Part E of the respondent's return of election expenses is defective as it does not contain the details required by law.

Further with regard to the matters mentioned in this report it appears that the accounts, on which the return is ostensibly based, have not been regularly and methodically maintained and are practically valueless for the purpose of elucidating details of the expenditure connected with the items to which we have referred.

It was argued on behalf of the respondent that as the submission of a defective return of a candidate's election expenses does not amount to a corrupt practice under the First Schedule to the Order, the Commissioners have no jurisdiction to come to a finding in their report with reference to this matter. We are, however, unable to accept this contention. Under the provisions of paragraph 3 of Part III of the Order, an elector is entitled to present an election petition to the Governor "on any ground". The language used in this paragraph is, in our opinion, clearly wide enough to include a ground

to the effect that the return of election expenses has not been made in proper form. Paragraph 4 of Part III of the Order provides that, unless the Governor exercising his individual judgment dismisses a petition for non-compliance with the prescribed requirements, he shall exercising his individual judgment appoint Commissioners *for the trial of the petition*. The procedure to be followed by the Commissioners at an inquiry has been prescribed in Rule 31, which provides that each election petition shall be enquired into by the Commissioners, as nearly as may be, in accordance with the procedure applicable under the Code of Civil Procedure, 1908, to the trial of suits. It, therefore, follows that, subject to the provisions of the Code of Civil Procedure, issues must be framed with regard to any ground which the petitioner desires to press and the Commissioners must arrive at a finding on each issue. It is, of course, only in certain circumstances such as those which have been detailed in paragraph 7 of Part III of the Order, that the Commissioners may find that the election of a candidate is void; but, in our opinion, they have full jurisdiction to come to a decision on any matter raised in the petition which, although it may not amount to a corrupt practice, may nevertheless involve a disqualification under the privisions of the Government of India Act. In this connection we cannot but regard irregularities connected with a candidate's return of election expenses as matters of great importance in the trial of an election petition and we consider it our duty to go into such matters carefully when they are raised.

Our finding is that issue No. 2 must be decided against the respondent. We find that, although he was duly elected at the bye-election for this constituency which took place on the 9th and 10th March 1938, he incurred a subsequent disqualification under the provisions of section 69(*1*)(*f*) of the Government of India Act by reason of the fact that he failed to lodge a return of his election expenses in the manner required by law. He is, therefore, disqualified for being a member of the Provincial Legislative Assembly for five years unless the Governor acting in his discretion removes the disqualification. He has similarly committed a default in making the return within the meaning of paragraph 5 of Part IV of the Order, which disqualifies him for voting at any election for a period of five years unless this disqualification is moved by the Governor under paragraph 8 of that part of the Order.

As regards issue No. 3, the case for the petitioner is that the respondent's return of election expenses is false in certain material particulars because the expenses incurred by certain persons who were working on his behalf in connection with the election have not been entered in the return. With regard to this allegation, we do not propose to discuss in detail the testimony of the witnesses which is conflicting and unconvincing in its nature. The most that can be said is that it has been established that certain insignificant sums were expended by certain persons on behalf of the respondent in connection with the latter's election campaign, but owing to the smallness of the sums in question they did not think it worthwhile to recover them from the respondent. In our opinion, the omission to mention these trifling sums in the return, although irregular, would not be sufficient to constitute the return false in material particulars; and we, therefore, decide this issue in favour of the respondent.

The result is that we find that the corrupt practices mentioned in the petition have not been established and that in our view the respondent was duly elected for the Chittagong South Muhammadan Constituency at the bye-election held on the 9th and 10th March 1938. It has, however, been established that owing to his failure to lodge his return of election expenses after his election in the manner required by law he has become disqualified for being a member of the Provincial Legislative Assembly for a period of five years and for voting at any election for a similar period. Whether or not this disqualification should be removed is a matter for the consideration of His Excellency the Governor acting in his discretion.

We recommend that the parties to this petition should be directed to bear their own costs.

**2.** The posts specified in the Schedule to these Rules (hereinafter referred to as "reserved posts") shall be filled either by members of the Indian Police or by persons, not being members of the Indian Police, appointed in accordance with the provisions of these Rules.

**3.** If the Governor is of opinion that it is essential for the efficiency of any battalion of military police that the post of Commandant or Assistant Commandant of that battalion, being a post included in the Schedule, shall be filled by an officer of His Majesty's forces, and if, on application to the Governor-General, the services of such an officer are placed at his disposal, the Governor may appoint that officer to the post instead of a member of the Indian Police.

**4.**—(1) Notwithstanding the foregoing provisions, the Governor may, if the exigencies of the public service so require, appoint a member of the provincial Police Service to any reserved post other than the post of Inspector-General, of Deputy Inspector-General, of Commissioner of Police or of Commandant of a Military Police battalion.

(2) Every such appointment shall be provisional only, and, if the person so appointed is intended to hold the appointment for a period exceeding three months, shall forthwith be reported to the Secretary of State with the reasons for making it, and if the Secretary of State so directs the Governor shall thereupon cancel the appointment.

(3) No person appointed to hold a reserved post under this rule shall be employed in the post for a period exceeding twelve months save with the sanction of the Secretary of State.

**5.**—(1) If the Governor-General, or the Governor as the case may be, proposes to keep any reserved post vacant for a period exceeding three months he shall forthwith make a report to the Secretary of State of the reasons for the proposal, the period for which he proposes to keep the post vacant, the provision made for the existing incumbent of the post and whether it is proposed to make any and, if so, what arrangements for the performance of the duties of the post held in abeyance.

(2) If the Secretary of State directs that the post shall be filled, the Governor-General or the Governor, as the case may be, shall appoint a person to fill it in accordance with the provisions of these Rules.

**6.** The Governor-General or the Governor, as the case may be, may direct that two reserved posts shall be held jointly if he considers this necessary for the purpose of facilitating leave arrangements or for a period not exceeding three months for any other purpose.

**7.** Save with the consent of the Secretary of State, no change shall be made by direction of the provincial Government in the duties of the holder of any reserved post if in the opinion of the Governor-General or the Governor, as the case may be, the character of that post would thereby be altered.

Provided that nothing in this rule shall apply to a temporary change consequential on leave arrangements or to a change not consequential on leave arrangements which will not last more than three months.

8.—(1) Until the commencement of Part II of the Government of India Act, 1935, references in these rules to the Governor-General shall be construed as references to the Governor-General in Council.

## STATEMENT OF OBJECTS AND REASONS.

At the fourth general election held under the Calcutta Municipal Act, 1923, the provisions of the Third Schedule to the Act came into operation, whereby, in the territorial constituencies of the Calcutta Corporation, for the previously existing separate electorates for Muslims there was substituted the present system of joint electorates with reservation of seats for Muslims. Since this change was effected Muslim public opinion has emphatically expressed the view that Muslim Councillors returned by joint electorates have very largely represented the wishes of the majority community and have not been truly representative of Muslim interests. On the analogy of the electoral provisions of the Government of India Act, 1935, it is felt that separate electorates for Muslims should be restored in constituencies of the Calcutta Corporation, and there has been, both within and without the Legislature, an insistent demand for such a restoration. The Bill contains provisions to meet this demand.

In order to safeguard the interests of other important minority communities provision has also been made in the Bill for the reservation, in the general territorial constituencies, of seats for the scheduled castes in proportion to their population strength, and for representation of the Anglo-Indian Community by the election of Councillors through a separate Anglo-Indian electorate.

It is further considered that the claim of labour for adequate representation on the Corporation can no longer be ignored, and on the analogy of the Government of India Act, 1935, provision has accordingly been made in the Bill for the constitution of a separate labour electorate, which will return elected representatives to the Corporation.

The opportunity has been taken to include certain other desirable or consequential amendments of the Act.

### NOTIFICATIONS.

New Delhi, the 9th January 1939.

No. M.-1286 (1).—In exercise of the powers conferred by sections 17 and 6 of the Indian Explosives Act, 1884 (IV of 1884), and in supersession of the notification of the Government of India in the late Department of Commerce and Industry, No. 596-D., dated the 6th December 1919, the Central Government is pleased—

(1) to declare that acetylene,—

(*a*) when liquid, or

(*b*) when subject to a pressure exceeding that of a column of water 250 inches in height, or

(*c*) when in admixture with air or oxygen in whatever proportion and at whatever pressure, and

(*d*) whether or not in admixture with other substances,

shall, subject to the exceptions mentioned in the Schedule annexed hereto, be deemed to be an explosive within the meaning of the said Act; and

(2) to prohibit absolutely the manufacture, possession and importation of such acetylene as is declared by this notification to be an explosive.

*Schedule.*

1. Any acetylene which the Central Government, on being satisfied that it is not possessed of explosive properties, may by order exempt from the operation of this notification.

2. Any acetylene in admixture with air, when such admixture takes place—

(*a*) only in a burner or other contrivance in which the mixture is intended to be burnt, or

(*b*) unavoidably, in the first use or recharging of an apparatus properly designed and constructed with a view to the production of pure acetylene.

3. Any acetylene in admixture with oil-gas (that is to say, a gas manufactured from mineral oil) and under compression, if the following conditions are fulfilled, namely:—

(*a*) the acetylene shall be generated only by the Atkins Dry Process;

(*b*) the proportion of acetylene shall not exceed fifty parts by volume in every one hundred parts of the mixture of acetylene and oil-gas;

(*c*) the acetylene and oil-gas shall be mixed together in a chamber or vessel before the gases are subjected to compression; and

(*d*) the mixture shall not be subjected to a pressure exceeding 150 pounds per square inch.

4. Any acetylene when contained in a homogeneous porous substance, with or without acetone or other solvent, if the following conditions are fulfilled, namely:—

(*i*) The porous substance shall fill as completely as possible the cylinder into which the acetylene is compressed.

(*ii*) The porosity of the substance shall not exceed eighty per cent.

(*iii*) Any acetone or other solvent used shall not be capable of chemical reaction with the acetylene gas or with the porous substance or with the metal of the cylinder, and the quantity of acetone or other solvent shall be such that when fully charged with acetylene it shall not completely fill the porosity of the porous substance at any temperature likely to be met with in ordinary practice or use.

(*iv*) A drawing showing the method of construction of every type of cylinder it is proposed to use for the storage of compressed acetylene gas shall be deposited with the Chief Inspector of Explosives in India and no cylinder shall be so used unless it is of a design approved in writing by the said Chief Inspector.

(*v*) The cylinder shall be entirely covered with a coat of paint of a maroon colour corresponding to British Standard Colour No. 41.

(*vi*) The valves of the cylinders shall not contain more than seventy per cent. of copper in their composition and they shall be fitted with left handed outlet screw threads for the pipe or other connections:

Provided that small cylinders and cylinders for special purposes may have right handed screw threads.

(*vii*) Each cylinder when not in use shall have its valve completely protected. In cases where the design of the cylinder does not provide for the valve lying wholly below the level of the cylinder body, a stout metal cap or metal cover securely attached to the cylinder body must be used, the design being such that the cap is nowhere in close proximity to any part of the valve or valve body:

Provided that small cylinders packed in stout cases which will adequately protect the valves need not be provided with caps or covers.

(*viii*) The pressure in the cylinder shall not exceed 225 pounds per square inch at a temperature of 60 degrees Fahrenheit:

Provided that no cylinder capable when empty of containing one cubic foot of water or more, which has the ends secured to the body by welding only; and no cylinder in which a porous substance is used without acetone or other solvent shall be charged to a pressure exceeding 150 pounds per square inch at a temperature of 60 degrees Fahrenheit. This condition shall not apply to cylinders used exclusively for marine lighting by an officer appointed in that behalf by Government or by the Conservator of a Major Port.

(*ix*) Every cylinder capable when empty of containing one cubic foot of water or more in which the pressure allowed may be 225 pounds per square inch, shall be annealed and every cylinder shall be tested by hydraulic pressure to a pressure of not less than four times the pressure to which the cylinder is to be subjected in use, such hydraulic pressure to be maintained for a period of not less than 15 minutes and no cylinder shall be used which on the first occasion of its being subjected to this test shall show any permanent stretch.

(*x*) The compression of the acetylene shall be carried out only on such premises as shall have been approved in writing by the Chief Inspector of Explosives in India. Such approval may be withdrawn at any time by that officer.

(*xi*) No person shall charge with acetylene any cylinder unless he is in possession of full particulars and previous history of such cylinder and has otherwise assured himself that the cylinder complies with the requirements of this notification.

(*xii*) Whenever a cylinder is charged with acetylene it shall be subjected to a thorough visual examination if the history of the cylinder shows that it has not been subjected to such an examination within the previous twelve months and at the same time the valve shall be removed and the condition of the porous substance at the neck of the cylinder ascertained.

(*xiii*) Every cylinder shall have permanently and conspicuously marked upon it or upon a brassplate soldered to it the name of the manufacturer and the words "Acetylene properly compressed into porous substance" and every cylinder shall bear a label giving the date when it was last charged together with the name of the firm by which it was charged the address of the last charging station and the maximum pressure allowed in the cylinder. Every cylinder capable when empty of containing one cubic foot of water or more and manufactured after the 1st January 1920, shall have stamped upon it the name or the trade mark of the manufacturer and the serial number of the cylinder.

(*xiv*) Each charging firm shall keep a record of every cylinder charged by it. This record shall give the following information, namely:—

(*a*) the date of each charging of the cylinder;

(*b*) the dates upon which solvent has been added;

(*c*) the dates upon which the cylinder has been thoroughly examined as provided in condition (*xii*), the results of each such examination, and the name of the person carrying out such examination; and

in the case of cylinders first issued by the firm, the tare weight of the cylinder including porous substance and acetone or other solvent, the nature of the solvent and the maximum pressure allowed in the cylinder.

The record shall be open to the inspection of the Chief Inspector of Explosives in India, Inspectors and Assistant Inspectors of Explosives.

## STATEMENT OF OBJECTS AND REASONS.

Experience gained in the working of Debt Settlement Boards has shown that it is necessary to amend the Bengal Agricultural Debtors Act, 1935, in order to secure a more rapid disposal of cases, to preclude non-agriculturists from being treated as debtors under the Act, and in order to empower Boards to deal with cases involving usufructuary mortgages. The Bill seeks to simplify the procedure for Boards by reducing the number of preliminary notices to be issued (without, however, curtailing the time allowed for submission of statements of claims or debts). Provision is made to accelerate disposal by eliminating certain intervals at present prescribed between successive stages in the preliminary part of the proceedings and by providing for prompt payment of fees. The Bill prescribes a procedure for dealing with debts secured by usufructuary mortgages and for the restoration of the land to the debtor. The Bill seeks to strengthen the hands of Boards in dealing with creditors who refuse to accept an offer considered fair by a Special Board and a Special Appellate Officer, and further provides for removing certain anomalies in the jurisdiction of different Appellate Officers and for facilitating their work. Finally the Bill makes it clear that for purposes of sections 33 and 34 execution proceedings are deemed to be pending till the sale is confirmed.

## THE BENGAL TENANCY (THIRD AMENDMENT) BILL, 1938.

# BILL

*further to amend section 52 of the Bengal Tenancy Act, 1885.*

WHEREAS it is expedient further to amend section 52 of the Bengal Tenancy Act, 1885 in the manner hereinafter appearing ; VIII of 1885.

It is hereby enacted as follows :—

**Short title.**

**1.** This Act may be called the Bengal Tenancy (Third Amendment) Act, 1938.

**Amendment of section 52 of Act VIII of 1885.**

**2.** In section 52 of the Bengal Tenancy Act, 1885—

(*1*) in clause (*a*) of sub-section (*1*), after the words "without any reduction of the rent being made " the following proviso shall be inserted, namely :—

" Provided that no Court shall decree any addition of rent under this clause unless it is satisfied that there has in fact been an increase in the actual area of the tenure or holding since the rent previously paid was settled ; " and

(*2*) after sub-section (*1*) the following sub-section shall be inserted, namely :—

" (*1A*) In determining in a suit under clause (*a*) of sub-section (*1*) whether there has been an increase in the actual area of the tenure or holding, the Court shall inquire as to whether the present areas of other tenures or holdings in the vicinity which were settled at or about the same time or on the same standard of measurement as the tenure or holding in suit, show increases in area compared with the area originally settled similar to that alleged in respect of the tenure or holding in suit : if such similar increases are found to exist, it shall be presumed that there has in fact been no increase in the actual area of the tenure or holding in suit since the rent previously paid was settled."

**Application.**

**3.** (*1*) Notwithstanding anything contained in any other law—

(*a*) the provisions of section 52 of the Bengal Tenancy Act, 1885 as amended by this Act shall apply to all suits instituted thereunder on or after the date of the commencement of this Act, and also, subject to such conditions as may be prescribed, to all suits under clause (*a*) of sub-section (*1*) of that section which are pending on the said date, and

(*b*) if a decree has been passed before the commencement of this Act in a suit under the said clause instituted on or after the twenty-seventh day of August 1937, the Court shall, on application accompanied by the prescribed fee and made within six months from the commencement of this Act, by a tenant against whom such decree has been passed, set aside the decree and restore and rehear the suit in the prescribed manner and in accordance with the provisions of the said section as amended by this Act.

(*2*) In this section " prescribed " means prescribed by rules made by the Provincial Government hereunder.

## STATEMENT OF OBJECTS AND REASONS.

Section 52 of the Bengal Tenancy Act provides for an increase of rent where it can be proved that there has been an increase of area of a tenure or holding. Government have reason to believe that the provisions of this section have been abused in the following manner. Settlement was made on a cubit, say, of 22 inches in the past. When the record-of-rights was prepared and the standard cubit of 18 inches was applied in measuring the land, there was an apparent, but not real, increase in the number of *bighas* in a tenure or holding. With the help of misleading evidence it is often proved that in fact the standard of measurement which had been used at the time of the Settlement was an 18 inch cubit. In order to prevent this kind of fraud the present amendment of section 52(*1*) has been framed. It is not intended that a landlord should be debarred from obtaining additional rent for additional area which in fact exists owing to gradual encroachment on his *khas khamar* land or on neighbouring plots.

It will also not debar the case where additional area has been gained through alluvial action or the drying up of swampy ground contiguous to a tenure or holding. In either of these two latter cases a landlord may avail himself of the provisions of section 52 of the Bengal Tenancy Act, 1885 although he is not bound to do so as it has been held in the Calcutta High Court that he is entitled to sue in the Courts under the general law of the land irrespective of the Bengal Tenancy Act for additional rent in cases where it can be demonstrated that a particular area of land has been added to the original tenure or holding.

The Bill also provides that by application to the Courts tenants against whom suits were instituted under section 52 after the 27th of August 1937, [the date of publication of the Bengal Tenancy (Amendment) Bill, 1938] may, whether a decree has been passed or not, obtain a re-opening of the case in order that it may be decided under the provisions of section 52 as sought to be amended by the present Bill. This would naturally entitle both sides to amend their original pleadings if they desired, and to this end rule-making power is sought in order not to encumber the Act with small matters of procedural detail which will only be of temporary effect.

Amendment of section 4 of Act XXIII of 1931.

Operation of other laws not barred.

**7.** Nothing in this Act shall be deemed to prevent any person from being prosecuted under any other law for any act or omission which constitutes an offence under this Act.

Power to exclude certain records from the operation of this Act.

**8.** The Provincial Government may, from time to time by notification in the *Official Gazette*, exclude any official record or class of official record from the operation of this Act.

## STATEMENT OF OBJECTS AND REASONS.

A growing tendency has been noticed, both in the press and on the platform, to give unauthorised currency to the contents of unpublished State documents. This tendency has rendered imperative the necessity of taking legislative measures to suppress the dissemination in the press and on the platform of the contents of unpublished records of Government unless after due authorisation.

[*cf.* Ben. Act II of 1910, s. 3.]

Power of Provincial Government in respect of the next general election to be held before the expiry of the extended term of office of the Councillors and Aldermen.

**7.** If any difficulty arises as to the preparation or publication of the electoral rolls for the purpose of, or the holding of, the next general elections to be held under section 45 of the said Act before the expiration of the term of office extended under the proviso to section 39 of the said Act, the Provincial Government may by order authorise any matter or thing to be done which appears to them to be necessary for the proper preparation or publication of the rolls or for the proper holding of the elections.

## STATEMENT OF OBJECTS AND REASONS.

It is proposed to undertake legislation to amend the Calcutta Municipal Act, 1923 (Ben. Act III of 1923), and to hold under the Act as amended the next general election of Councillors of the Calcutta Corporation. The next general election falls due in March 1939, but it will not be possible by that date to pass the amending Bill through both Houses of the Legislature and to bring it into force. By notification No. 3114M., dated the 20th September 1938, and issued under the proviso to section 39 of the Calcutta Municipal Act, 1923, Government have extended for a period of one year from the 31st March 1939 the term of office of certain existing Councillors and Aldermen. Government are now advised that, as the proviso to section 39 stands at present, the validity of the extension granted is questionable. The present Bill is accordingly intended to validate that extension by amending section 39 with retrospective effect, and by making the necessary consequential amendments in sections 25 and 45.

Amendment of section 65 of Bengal Act V of 1909.

**2.** In sub-section (*1*) of section 65 of the Bengal Excise Act, 1909 for the words "Superintendent of Excise" the words "Inspector of Excise" shall be substituted.

In view of the provisions of section 65 of this Act, these Inspectors of Excise and Salt cannot be empowered to exercise the powers under that section. ## STATEMENT OF OBJECTS AND REASONS.

This Bill has been framed to provide certain improvements to the Administrator General's Act, 1913, in order to increase its utility, first, in cases where there is apprehension of danger to the estate of a deceased person, by enlarging the scope of sections 10 and 11 of the present Act so that they may apply not only to estates with assets in Calcutta, and secondly, by enabling the Administrator General to take charge of an estate without letters of administration, if he is requested to do so by the widow or other person entitled to administer it, before expiry of the period of three months at present fixed by section 32.

Government are advised that as section 45 of the Act is framed, what is known as a one hundred *per cent.* audit is required to be made of the accounts of all estates ; to carry this out requires unnecessary expenditure to the estates, and the section is proposed to be amended to permit of a suitable fractional audit.

Opportunity is also taken to include some amendments of a formal or minor character.

## DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 12th January 1939.

### First Forecast of the Wheat Crop of Bengal, 1938-39.

[*Note.*—On an average of the five years ending 1936-37, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1936-37, averaged (*a*) 42·0 and (*b*) 9·2 per cent. respectively.]

*Explanatory.*—Four Forecasts of the Wheat crop are published. The present Forecast deals only with the estimated area sown and the general condition of the crop in the early stages.

*Acreage.*—According to the estimates of the District Officers, the total area sown is 173,400 acres this year as against 160,800 and 160,900 acres, respectively, in the corresponding and Final Forecasts of last year.

*Character of the season.*—At the outset weather conditions were favourable for field operations and sowing generally commenced in normal time. Subsequently dry weather in December was helpful to further sowings and growth of the crop. The present outlook is reported to be promising.

(1) The rate of Rs. 1-4-0 shall be levied per acre of which the raiyats including persons holding non-agricultural tenancies shall pay 10 annas and their landlords of all grades together 10 annas per acre.

Common lands such as rivers, roads, khals, burning ghats, etc., will be excluded from assessment but not tanks even if used for irrigation.

(2) Landlords shall pay the raiyats' share for lands in their khas possession and raiyats shall pay full raiyati rate for lands covered by their holdings.

(3) Rent-free holders, whether of the degree of raiyats or tenure-holders, shall pay the whole of the landlords' share for their lands.

(4) As between the different grades of landlords, the landlords' share shall be apportioned thus :—

(*a*) Permanent tenure-holders whose rent is fixed in perpetuity shall pay their own share of the cost and that of the landlords superior to them;

(*b*) other permanent tenure-holders and temporary tenure-holders whose lease has over fifteen years to run shall pay ¾th of the landlords' share and their landlords shall pay the remaining ¼th;

(*c*) temporary tenure-holders whose lease has fifteen years to run shall pay 15/16ths of the share which they would pay in accordance with (*b*) above, if they were permanent tenure-holders; and so on proportionately according to the number of years of the lease to run; and

*Explanation.*—The calculation shall be made from the lowest grade of landlords immediately above the raiyats, the period for which the lease of the tenure or under-tenure is to run is to be reckoned in each case from the close of the agricultural year in which the record is finally published.

(5) Under-raiyats protected by section 48(*c*)(*e*)(*i*)(*1*) and (*2*) shall pay at the rate of 10 annas per acre, while other under-raiyats and Dakhalkar non-agricultural tenants having a status analogous to that of under-raiyats will pay at 6 annas for a tenancy or part of a tenancy recorded in one village.

(6) Jalkardars shall pay at the rate of ½ anna per rupee of rent multiplied by the number of years the jalkar has to run divided by 16. In jalkars having more than fifteen years to run and in permanent jalkar the rate shall be ½ anna per rupee. The minimum charge for a jalkar khatian shall be 4 annas. The rent receiver of such jalkar will also pay at the same rate as the Jalkardar.

(7) Usufructuary mortgagees shall pay the costs if the mortgage has sixteen years to run or more. If less than sixteen years the cost will be divided proportionately to the number of years out of sixteen to run between mortgagor and mortgagee.

(8) The calculation shall be made—

(*a*) to the nearest anna;

(*b*) areas less than 1 acre shall be charged for as 1 acre;

(*c*) for broken areas over 1 acre, there shall be no charge for the broken portion if less than half an acre; but if the broken portion be half an acre or upwards, it shall be taken as a full acre; and
